

291. (Amended) The currency evaluation device of claim 289 [295] wherein the means for flagging is adapted to cause the transport mechanism to halt with a suspect bill positioned at an identifiable location in an output receptacle of the second set.

292. (Amended) The currency evaluation device of claim 289 [295] wherein the means for flagging is adapted to cause the transport mechanism to halt with a suspect bill being the last bill transported to an output receptacle of the second set.

### REMARKS

The Applicants have amended recently added claim numbers 290-292 to correct typographical errors in the dependencies. No new matter has been added. The Applicants believe that the claims are in condition for allowance.

If there are any matters which may be resolved or clarified through a telephone interview, the Examiner is respectfully requested to contact the Applicants' undersigned attorney at the number indicated. Applicants believe that there are no fees associated with this Amendment. However, the Commissioner is hereby authorized to charge deposit Account No. 10-0447 (47171-00262USC2) for any fees inadvertently omitted which may be necessary now or during the pendency of this application, except for the issue fee.

Respectfully submitted,
